| <p>Attestation of compliance of NOP certified products to the USDA/Canada agreement</p> |
|--|

Dear client,

On June 17, 2009, the Government of Canada entered into an agreement on the trade of organic products with the United States.

The agreement is subject to the following conditions:

Imports Organic products into Canada certified by USDA-Accredited Certifying agent

1. Agricultural products produced with the use of sodium nitrate shall not be sold or marketed as organic in Canada.
2. Agricultural products produced by hydroponic or aeroponic production methods shall not be sold or marketed as organic in Canada.
3. Agricultural products derived from animals must be produced according to livestock stocking rates as set out in CAN/CGSB-32.310-2006-32.310-2006 (amended October 2008).

Ecocert SA confirms that the following products certified according to NOP for the operator NATURAL AND ORGANIC FARMS MEXICO SA DE CV. "Meet the above requirements.
